168 BPM, Key C#, Capo at VI

Intro: Dsus2 / Dsus2 / Am7 / Am7

VERSE ONE:
Cmaj7 Gadd9 Cmaj7 Gadd9
Following the path of least resistance, won't always take you where you want to go

Em Bm Am7 D
Flights of fancy often leave you stranded; Take it from a man who ought to know.

VERSE TWO: As a child four walls could not contain me
In my mind the universe was near
Printed pages always took me soaring
Breaking free from gravity and fear.

FIRST CHORUS:
G C D G C D
Walk with two feet on the ground, with angels hovering all around

C Em
Keep on following your dream, don't fall prey to "might have been,"

Am C D G
Never be afraid to start, then press toward the mark.

VERSE THREE: In this world there are so many voices
Hypnotizing, captivating men.
In my heart I've heard a higher calling, Now I know I can't go back again.

REPEAT FIRST CHORUS

LEAD BREAK: Em / Em / Bm / Bm / Am7 / Am7 / D / D repeat

SECOND CHORUS: Throw all your yesterdays away, Work in the fields while you play.
Stay away from those who claim everything must stay the same
Never be afraid to start, then press toward the mark.
